Dear Mr. Simpson,

Thank you for the care and expertise which you and your team showed when I had the two procedures in the Endoscopy Department in October and November and the review in December 2013.

Although, from time to time I do experience pain as expected, the intensity has certainly lessened.

Please accept my apology for the delay in sending this letter of thanks.

Yours sincerely,

Mr. J. Simpson,  
Harrogate & District  
NHS Foundation Trust.
